APOA Endorses Chris Forbis for Randall County Sheriff

The Amarillo Police Officers Association was established in 1980 and represents 331 working Amarillo Police Officers, which is 95% of the sworn officers in the department. Our mission is to enhance the lives of our members and our city through benevolent and civic engagement.

Chris Forbis has been in law enforcement for 31 years, all with the Randall County Sheriff's Office. He has worked every assignment within the department, from corrections officer all the way up to Sheriff. Sheriff Forbis has a fantastic reputation, and spent his career forging relationships with law enforcement throughout the panhandle and beyond. He is respected throughout the communities he serves, and is trusted and respected by members of the Amarillo Police Officers Association. Sheriff Forbis sees to it that his department works closely with officers in Amarillo on problems that affect their shared jurisdiction, and encourages training between the departments.

Sheriff Forbis is a life-long member of this community, and cares deeply for the residents of Randall County. He is honest, open, and willing to listen to anyone with concerns. He is also a strong conservative who encourages his deputies to seek out and arrest those people who seek to do harm in our neighborhoods. The APOA is proud to endorse Sheriff Chirs Forbis for another term as Randall County Sheriff.
